"THE *ONLY* EDITION."

THESE words are advertised with several works intended to *compete* with NOVELLO's cheap editions. The statement appears to be at variance with truth, until careful reading shows that the words are an ellipsis for, the "only" [*dear*] edition, or some such peculiarity; but there is one meaning the Public may surely depend upon when "only" is used, viz.: that there *is* a cheap edition of NOVELLO's, which it behoves them to see before purchasing any other.

It is probable, that shortly ALBRECHTSBERGER's THEORETICAL WORKS will be advertised as the "only" edition, in two volumes, price 42s., although it may not be stated that it is the only English edition in which the examples are inconveniently separated from the letter-press; but the student (having learnt the meaning of "only") should then look out for NOVELLO's compact edition, with the examples properly inserted in the text, at about 3s. 6d. per volume, as it will then be ready, in the LIBRARY for the diffusion of MUSICAL KNOWLEDGE.

J. Alfred Novello, London and New York.

BOYCE'S COLLECTION OF CATHEDRAL MUSIC. The Precentors of Cathedrals, and the Directors of Choirs in "Churches where they sing," are respectfully informed that Dr. Boyce's Work, which has long been considered the most complete and useful collection of English Church Music, is now published in a variety of forms to suit every requirement. The contents and the succession of pieces accord precisely with the original copy, as published by Dr. Boyce, so that Cathedral Choirs, &c., already in possession of copies, may increase their number, in full confidence of the new ones corresponding in every respect. The new editions may be specified as follows:

I.—The VOCAL SCORE has been reprinted, in its integrity, from Boyce; to which a separate Accompaniment for the Organ has been added under each score by VINCENT NOVELLO. In 3 Vols., bound in whole cloth, 42s. each.

II.—The SEPARATE VOCAL PARTS for each of the four voices—Treble, Alto, Tenor, and Bass—are printed so that one set may serve for eight or twelve persons. The economy of these Parts will be readily appreciated for the use of Choirs, or where numerous singers have to be supplied with copies. Price of each Vocal Part, bound in whole cloth, 25s.

III.—The SEPARATE ORGAN PART (in 2 Vols., price 21s. each), with the words in full between the Treble and Bass staff, will be found useful to those who wish these compositions as Organ Voluntaries, or for those who already possess the old Vocal Score, and to whom playing from score is inconvenient.

It is believed that in many Cathedrals the habit still prevails of making Manuscript Parts from the Vocal Scores; but this must arise from its not being known that good printed copies can now be purchased at less cost than the blank paper to make these manuscripts upon; or, in other words, it requires 3s. 6d. worth of blank paper to contain 3s. worth of printed music at the present reduced prices.

*** Each Service or Anthem may be had separately from this work, either in Score or separate Vocal Parts (Catalogues postage free for two stamps).

J. Alfred Novello, London and New York.
